Georgia is six years old. She has brown hair, green eyes and no front teeth. She is very pretty and loves to laugh and play.

One day, Georgia saw another little girl who looked very lonely, so Georgia asked the little girl what was wrong?
The little girl explained that she had nobody to play with. She also told her that her name was Zoe.

Georgia asked Zoe if she would like to play with her. Georgia told Zoe that she knew lots of good games to play and she would teach them to her,
if she would like that.

Zoe said she would like that very much.
Both girls played together and were very happy. Zoe was no longer sad and no longer felt lonely.

Well done Georgia!
